

Keep an Older Person Safer in 2024

Cold calling is not illegal. However, any trader that ignores a sticker or notice on a door stating that the occupier does not wish to receive cold calls may be committing a criminal offence.

As a nationwide, live-in, home care provider since 1980 we decided to try and help prevent, where we could, an older or disabled person becoming a victim.

The above door sticker may be of interest to someone you know. These are free of charge and if you reply to this email, info@ablecommunitycare.com, we will be happy to send some for you to pass on, or individuals may contact us directly, (since 2019 we have given out over 180,000).

We do not keep any individual details on a database, and we do not give information to other organisations. We are happy for you to share this offer if you have a Facebook page or local newsletter.
