Marion Lewis OBE (NHWN, Regional Representative, East Midlands) received 7th November 2013

Did you know that by simply entering your postcode on the official national Neighbourhood Watch & Home Watch (NHWN) website, www.ourwatch.org.uk you can find out what crimes have been reported and the outcome?

Our postcode scheme search feature helps you find out what we're doing in your area, help you get connected to local community initiatives and stay informed of news and events.

You can also find out if there is a Neighbourhood Watch scheme near you, and how to set one up if there isn't!

Simply enter your postcode to find local Neighbourhood Watch and Citizen Patrol schemes, community information, local contacts and crime data.
