Befriending Volunteers Needed

Are you able to chat to people?

Could you spare as little as 1 hour per week?

Would you like to help in your local community?

We are looking for volunteers for our Befriending Scheme to visit our elderly clients who are lonely. Volunteers visit clients, initially for 12 weeks, for up to an hour a visit.

Training is given and travelling expenses are paid.

Please contact us for an informal chat on the number below:
