October 2021

Local Careers and Advice E-Zine to Release their Biggest Issue Yet

Featuring 60 pages packed with careers advice, local opportunities and interesting articles to provide guidance and support for students on the journey to their future.

Decisionz is a local careers and advice e-zine, aimed at supporting students to understand their options and make the right choices. This termly e-zine is distributed for free to students across Nottinghamshire and Derbyshire and contains a wealth of local careers information, advice and opportunities.

Decisionz are excited to announce the release of their new autumn 2021 Issue which is currently being distributed to over 23,000 students across Nottinghamshire and Derbyshire. This new e-zine features new and exciting articles and a bright, eye-catching design to keep students interested and feeling supported during difficult times.

Decisionz have been working in partnership with D2N2, who have been a great supporting factor in helping the company to grow and reach those who need it. With the help of D2N2, the magazine has been able to support young people and parents during the pandemic.

When it comes to careers advice and guidance, students may feel that the support out there is overwhelming, and it can be difficult to know where to look. Decisionz e-zine contains a wealth of information, resources and useful websites all in one place. The e-zine is available to read from your computer, phone and tablet, making it fully accessible for students from the comfort of their own home, on the go, or in the classroom. The magazine is packed with information to support and inform young people who may be struggling to access careers information to make the best decisions for their future.

The new issue of Decisionz e-magazine includes a range of post-16 advice on subjects such as apprenticeships, diary dates for 2021 and 2022, understanding your options and more. If students

want to find more information on subjects and job sectors, the Decisionz autumn 2021 e-zine features a subject focus on maths and information on Law and Legal. The new issue also contains more case studies than ever, so that students can get first-person accounts from the likes of an archaeologist, solicitor, apprentices, and many more inspiring individuals.

If students are struggling to find local opportunities in Nottinghamshire and Derbyshire, the e-zine features choices such as apprenticeships, study programmes, colleges and sixth forms.

“For those who have young people thinking about their next step or even a change of study please share this magazine with them. So insightful, informative and user friendly.”

-Sarah Hawley BA (Hons), DBC Training.
