

# Shaping Public Health Services locally

We are currently looking at Public Health services and would like your help to shape what will be provided from 2020 onwards. We want to make it as easy as possible for people to use these services and get the information they need to be physically and emotionally healthy. We have some ideas about how we could do this but we want to hear your views.

There are two different ways you can have your say;

- **By completing a 10 minute online survey:**

<https://consult.nottinghamshire.gov.uk/public-health/public-health-consultation-2018>

- **By attending one of the consultation events at Retford Town Hall (DN22 6DE) on Wednesday 4<sup>th</sup> July, 2018:**

**Session 1            14:00-15:30**

[Book Here - Session 1](#)

**Session 2            17:00-19:30**

[Book Here - Session 2](#)
