

VOLUNTEERS NEEDED

We urgently need volunteers in Clarbrough & Welham to help older people in our area.

Our volunteers get involved in a variety of roles including:

- Helping with shopping
- Making regular social visits to a person's home so they don't become lonely
- Transporting them to medical appointments
- Fundraising events so that we can help even more people.

If you have the time we have the role for you in our friendly team.

Call us on 01909 484437 or email
