

NATURAL HISTORY AT THE RETFORD LIBRARY

SATURDAY THE 17th MARCH

10:00 to 15:30

Meet local amateur naturalists at the library and see displays by the following local organisations:

**The British Naturalists' Association (Retford Group)
The Notts Wildlife Trust (Retford Group)
The Lound Bird Club
The Friends of Daneshill Lakes**

Meet BNA Microbiologist Spike Walker who will be putting pond, canal, and river, water samples under the microscope (bring your own pond water sample, and see what's living in it).

Find out how you could get involved in small mammal live trapping, moth trapping, bat detecting, butterfly recording, and many other related activities.

For Further Information contact:

**Dr Robert Tansey (BNA Lincs and Notts Branch Organizer)
07580 793 079**
