

Following Carol Easton's exciting sole exhibition over the Christmas period, January 2018 sees the opening of a Group Exhibition at The Hub in Retford.

Westhill Art Group Over 60's was formed about ten years ago by local self-taught artist, Norma Spurdens, as a leisure activity for retired people in the Ordsall area.

The group, which is now organised by another local artist, Pat Ward, meets at Westhill Community Centre every Tuesday afternoon. There is no set agenda, each member being free to choose their own subject and media. This results in an interesting mix of styles and ideas.

The exhibition (free) runs from **13 January until 24 February 2018**, and you are all welcome to attend. In addition, you will be able to look at all the crafts and local products on sale, and enjoy coffee/tea and a cake.

Please do come along.
