Dear Sir or Madam

UPDATE FOR BRIDGE REPAIR WORKS
A1 Blyth Flyover Bridge on Spital Road, Blyth, Worksop

Further to my letter dated 14 June 2021 that I sent to you via email, I am writing to confirm the dates and times for the closures of the A1 northbound and southbound.

When will the work take place?

To maintain a safe environment for our workforce and customers, Spital Road (on top of the bridge) will remain closed throughout the duration of the works, from the end of June to September 2021.

During the closures of the A1 northbound and southbound we will work between **8pm and 6am Monday to Friday**. The A1 carriageways will remain open outside of our working hours.

- The A1 northbound will be closed at Apleyhead Roundabout from **Monday 26 July 2021** to **Saturday 7 August 2021**
- The A1 southbound will be closed at Wadworth Interchange from **Monday 9 August 2021** to **Tuesday 24 August**.

Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances.

How will work affect traffic?

During the closures we'll put in place diversion routes, which have been agreed with the Local Authorities and Highways England as required.

Maintaining safety during Covid-19

This scheme is essential to the strategic road network. All our sites have strict safeguarding measures, in line with Public Health England guidance, to prevent the spread of COVID-19 and none of our sites are open to the public. All construction projects are closely monitored, and the situation is kept under constant review.
