OUR NEW APPROACH IN THE POST-COVID
ENVIRONMENT

HISTORY WALK AND TALK: SOUTH CLIFTON

Leading local historian and author ADRIAN GRAY will lead a walk around historic South Clifton. This is a place of great significance in the history of the Trent – hear about the disastrous flood of 1795, lost channels of the river, dark deeds in country lanes and stories of the old ferryman and his dog.

- 15th May, 10am to 12.15pm approx.
- Meet at junction of Front Street and Vicarage Road
- Walking distance approx. 2.5 miles, some uneven ground
- Cost £7.50 per head

COVID: we have a full risk assessment and as a tourist organisation are authorised for outdoor activities with more than six people. However, places will be limited to twenty.

Reserve by email (talksandtours@gmail.com), by phone to Maggy on 07950 167821, including your contact details. Once confirmed you can also pay by internet.

WEATHER: if constant very heavy rain (rather than light drizzle) is forecast the night before, then we may contact you to re-arrange the walk.
