## **BCVS is co-ordinating volunteer marshalls for the ongoing Covid-19 vaccination programme – can you help?**

Due to the Covid-19 booster programme being escalated from now until Christmas we need to recruit more volunteer marshalls.

The volunteers need to be able to work on their own and have capability to deal with potential tricky situations. This position is in a busy and sometimes stressful environment and volunteers are required to carry out the role under minimum supervision.

It is a forward-facing role dealing with members of the public constantly.

Some roles are based outside some are inside, the timeslots are between 2 and 4 hours long. There is weekday and Saturday timeslots available in Worksop and Retford.
