

# Garden Waste

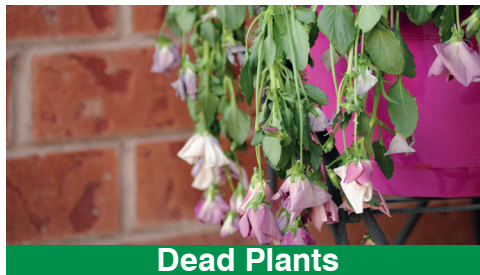

## COLLECTION SERVICE

NEW

Bassetlaw District Council is introducing a new paid for garden waste collection service from March 2017.

For just £30 per year, the Council will be making fortnightly collections for nine months of the year between March and November. The fee includes an additional 240 litre wheelie bin.

### What will we collect?

### What we won't collect

- × Food and Kitchen Waste
- × Plant Pots
- × Treated wood
- × Soil
- × Bricks/rocks/stones
- × Large logs and tree branches
- × Building waste
- × Grass sods

In order to identify the areas of the district which are likely to create the most amount of demand, the Council is asking residents to register their interest to help determine which areas will be the first to be offered the scheme.

To register your interest or to find out more information about this scheme, visit [www.bassetlaw.gov.uk/gardenwaste](http://www.bassetlaw.gov.uk/gardenwaste)
