

Bassetlaw Hospice

As we all start to prepare for the festive season, Bassetlaw Hospice are looking at hosting their **Christmas Memory Star Event** again this year, in the hope that members of the community will be able to attend the event in person at Bassetlaw Hospice.

Bonney Baggaley, the Charity Operations Manager said “After the success of the Memory Star Event last year, we are pleased to announce that we are going to host the same event again this Christmas, in conjunction with the National Grief Awareness Week where on the 8th December at 6pm, UK landmark buildings and those supporting the event will light the country up in orange. As part of our Christmas Memory Star Event, the hospice will glow under a light of orange to show our support, as we remember and celebrate our loved ones and we welcome the community to join us”

Memory stars are available to purchase from the Bassetlaw Hospice shops in Retford and Worksop or the office for a minimum donation of £2 or if you would like any stars posting to you please contact Debbie on 01777 710 444 or by email at debbie@bassetlawhospice.org, minimum donation £3 to cover postage, over the phone payments available.
