

CCT Wildlife Watch – July 2026

This series of Kingfisher photos were all taken by Andrew Scott on the Derbyshire section.

Malcolm Ashton saw this orange Carp at Mill Green.

Peter Bird saw these Peacock Butterfly caterpillars on stinging nettles near Bluebank Lock.

Andrew Palmer saw this Yellow Wagtail's nest on a lock gate on the Nottinghamshire section.

Sarah Stephens took this photo of Freshwater Mussels on our tripboat Hugh Henshall when it went in for blacking.
