

We're moving!!

Please note and share

Our new address from the 28th of August will be:
Suite 7, Arnold Business Centre, Brookfield Rd, Arnold NG5 7ER

As both ourselves and Healthwatch Nottingham aim to become a single organisation by April 2018 we are both moving to a new location to bring our teams and expertise closer together. This means that from the end of this month both Healthwatch Nottinghamshire and Healthwatch Nottingham will be contactable at one physical address.

This is a pivotal point for Healthwatch in our area. One of the many benefits of this for people in our City and County is that, no matter where you live in Nottinghamshire, you will be able to share your experience of a local health or care service with Healthwatch much simpler than ever.

Our telephone numbers will currently remain unchanged.

If you need to contact Healthwatch Nottinghamshire - Call 0115 963 5179

If you need to contact Healthwatch Nottingham - Call 0115 859 9510

We're doing all we can to make sure there is as little disruption as possible to our day to day working, but we accept some things will be out of our control. We ask that for the period between the 24th August and 1st September you are mindful of this when contacting us.
