

The Bridge SKILLS HUB

North Notts Higher Education & Skills Event

As part of our 'What Next' series of careers events across the district during the 21/22 academic year Bassetlaw District Council are pleased to announce the first Higher Skills and Education event.

As a district we want to ensure all our young people and older learners have robust information about the rapidly changing world of work and the skills, attributes, qualities and flexibilities needed in the changing economy. Higher skills and qualifications will play an increasing important role in a new mechanised world with emerging and disruptive technologies.

The Bridge Skills Hub forms part of our response to provide local, employer lead higher skills. Our event (in collaboration with The Bridge) hopes to provide learners, parents, teachers and stakeholders with the information and knowledge needed to make informed decisions about HE progression, HE pathways, HE processes – providing an annual stage for the district to engage with HE providers.

The event will include:

- *Tours of The Bridge Skills Hub*
- *University marketplace to consider options*
- *Careers guidance From HeppSY and DANCOP*
- *Series of workshops /talks on HE subjects*
- *Degree / higher apprenticeship opportunities*

13th July 22:

*The Bridge - Skills Hub,
Bridge Place, Worksop,
S80 1DT*

*Open:15:00 Close:19:00
(last entry 18:45)*

The event is **free** to attend and will operate on a drop in basis between 15:00 and 19:00 – there is no need to book, and no time limits when attending.

Further information on the exhibitors will be available on the Bassetlaw Council website, the Bridge Website and via social media over the coming weeks (link TBC: <https://thebridgeskillshub.co.uk/>)
