

STOP THE BLEED

Free, practical training that could help you save a life.

Completely free to schools, businesses and community groups across Nottinghamshire.

FREE TRAINING
Available to all Nottinghamshire schools, businesses and community groups.

75–90 MINUTES
A focused, practical session.

HANDS ON LEARNING
Learn how to control severe bleeding, with or without a specialist bleed kit.

KNOW WHAT TO DO
Gain the practical skills and knowledge to respond when every second counts.

Could your organisation benefit from this free training?
Let's have a conversation.
