

## ***WRVS Home Library Service***

Are you housebound and unable to visit the library to borrow books but still enjoy reading?

Do you know someone who enjoys books and reading but is unable to leave their home easily to visit the library?

In partnership with Nottinghamshire Library Service, WRVS deliver a Home Library Service, whereby books and audio tapes are delivered to individuals in their own home by WRVS volunteers.

**The service is free**, and is available for anyone of any age who is unable to leave their home to visit a library, and who does not have anyone to choose and borrow books for them.

We have an experienced group of volunteers working across the county who are keen to increase the number of housebound readers they visit.

If you would like to receive the Home Library Service, or know someone else who might, please contact:
