

## Worksop Library Update

### Full service to resume Summer 2020

Following exceptional rainfall on Thursday 7 November, Worksop Library on Memorial Avenue suffered a devastating flood throughout the 2000sqm building.

Recovery specialists are currently clearing and cleansing the building, whilst the council and its property partnership ARC develop a programme of works to restore the building for use again.

Due to the significant amount of work required to restore the building, it is estimated that it will be next summer when the library and its services will be fully operational again. Read more [here](#).

Alternative venues for the library service and cultural programme are being explored. [Inspire Learning](#) are using various alternative venues.

Keep an eye on [our website](#) and social media for updates - [Inspire Libraries Facebook](#), [Worksop Library Facebook](#) and [Twitter](#).

We'd like to thank the community for the phenomenal support during this difficult time. We look forward to seeing you when the library re-opens next year!
